

# IN CASE YOU TUNED IN LATE . . .

By Henry Simpson

The season must have started too soon for the Varsity. In spite of plenty of hard work the "Big Blue" just wasn't ready to play football and lost, 12 to 7 to Orosi.

Junior Varsity football got off to a better start with a 22-0 win over Orosi but the "Little Monarchs" really let down and lost to Woodlake, 20-14.

Varsity spirits and confidence took a giant step straight up when the Monarchs came alive and stomped the Woodlake Tigers, 31-16.

As usual the Monarchs had too much for Strathmore and won 29-3. The JV's won easily, 30-6.

Western fans were giving points and betting against the Monarchs. Several Exeter fans will be enjoying free meals. The Monarchs played their best game and won a dandy ball game, 14-12.

The Junior Varsity had a bad night, 0-24, at Tulare but they came alive and dumped Porterville, 20-16.

Varsity fans should have stayed home last week. The 0-0 Porterville game left a bad taste.

Tonight the BIG BLUE should be ready to repeat their TW effort for Homecoming. I predict a 7-0 victory for the home team.

A crash landing is coming up for Larry Pizzarro as Porterville defender makes contact.

Caught between two Porterville JV's, Dean Pizzarro crashes forward for a first down.

Allen Stacey breaks away for a long gain against Strathmore during the Frosh game.
